**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT
AUDITING STANDARDS**

Members of the Executive Board
North Central Texas Council of Governments
Arlington, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the remaining fund information of the North Central Texas Council of Governments (the Council) as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements and have issued our report thereon dated February 16, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH UNIFORM GUIDANCE AND ON THE SCHEDULE OF EXPENDITURES
OF FEDERAL AWARDS**

Members of the Executive Board
North Central Texas Council of Governments
Arlington, Texas

Report on Compliance for Each Major Federal Program

We have audited North Central Texas Council of Governments' (the Council) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs for the year ended September 30, 2017. The Council's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Council's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). These standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Council's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Council's compliance.

Opinion on Each Major Federal Program

In our opinion, the Council complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

Report on Internal Control Over Compliance

Management of the Council is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Council's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the remaining fund information of North Central Texas Council of Governments, as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise North Central Texas Council of Governments basic financial statements. We issued our report thereon dated February 16, 2018 which contained unmodified opinions on those financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
SCHEDULE OF AUDIT FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017**

Section I-Summary of Auditors' Results

BASIC FINANCIAL STATEMENTS:

An unmodified opinion was issued on the financial statements.

Internal control over financial reporting:

- Material weakness(es) identified? Yes X No
- Significant deficiency(ies) identified that is (are) not considered to be material weakness(es)? Yes X None reported

Noncompliance which is material to the basic financial statements noted? Yes X No

FEDERAL AWARDS:

Internal control over major federal programs:

- Material weakness(es) identified? Yes X No
- Significant deficiency(ies) identified that is (are) not considered to be material weakness(es)? Yes X None reported

An unmodified opinion was issued on compliance for major programs.

Any audit findings disclosed that are required to be reported in accordance with Uniform Guidance? Yes X No

Identification of federal major programs:

<u>CFDA Number(s)</u>	<u>Name of Federal Programs or Cluster</u>
20.205	Highway Planning and Construction Cluster
20.513, 20.516, 20.521	Transit Services Cluster

Dollar threshold used to distinguish Between type A and type B programs: \$2,636,014

Auditee qualified as low-risk auditee? X Yes No

**NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
SCHEDULE OF AUDIT FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017**

Section II-Financial Statement Findings

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the basic financial statements that are required to be reported in accordance with *Government Auditing Standards*.

There were no findings for the year ended September 30, 2017.

Section III-Federal Awards Findings and Questioned Costs

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance, including questioned costs, related to the audit of major federal programs, as required to be reported by Circular A-133 Compliance Supplement. Where practical, findings should be organized by federal agency or pass-through entity.

There were no findings for the year ended September 30, 2017.

**NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
SUMMARY OF PRIOR YEAR AUDIT FINDINGS
FOR THE YEAR ENDED SEPTEMBER 30, 2017**

There were no findings from the year ended September 30, 2016.

(concluded)

**NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED SEPTEMBER 30, 2017**

NOTE 1. GENERAL

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all applicable federal awards of the North Central Texas Council of Governments (the Council). The Council's reporting entity is defined in Note A to the basic financial statements. Federal awards received directly from federal agencies, as well as federal awards passed through other government agencies are included on the schedule.

NOTE 2. BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards is presented using the modified accrual basis of accounting. The modified accrual basis of accounting is described in Note A to the basic financial statements.

NOTE 3. RELATIONSHIP TO FEDERAL FINANCIAL REPORTS

Amounts reported in the accompanying schedule may not agree with the amounts reported in the related federal financial reports with grantor agencies because of accruals which would be included in the next report filed with the agencies.

NOTE 4. RELATIONSHIP TO THE BASIC FINANCIAL STATEMENTS

Federal awards revenues are reported in the Council's basic financial statements as follows:

Federal administered grants	\$ 9,417,021
State administered grants	116,521,194
Local administered grants	311,242
Less: State funded grant awards	<u>38,382,314</u>
Per Schedule of expenditures of federal awards	<u>\$ 87,867,143</u>

NOTE 5. NEGATIVE AMOUNTS

Due to a revision in the calculation of administrative costs, the funding agent has retroactively calculated certain grant expenditures. As a result of this recalculation, the effected grants reflect a negative balance on the current schedule of expenditures of federal awards.

NOTE 6. INDIRECT COST RATE

The Council has not elected to use the 10% de minimus cost rate allowable by Uniform Guidance.

**North Central Texas
Council of Governments**
